

**Peel Pharmacy**

Peel Pharmacy – We have relied on Chris and his team at Micro Computer Consulting Inc to manage all aspects of our computer and IT services at all of our locations. Always there, on-time, and on budget, they have managed our computers, phone systems, security cameras and has always ensured that all our locations at Peel Pharmacy are always up and running efficiently. When we need help with any aspect of technology, we have full trust and can always count on the team at Micro Computer Consulting Inc to respond quickly and give us that great personal touch!
